Product: Yummy Travel Bowls

Yummy Travel Bowls is a modern and convenient three-in-one pet product that allows a pet owner to store, transport, and serve pet food and water simultaneously, without mixing or spillage of the contents. Yummy Travel Bowls features a spill resistant water bowl that serves as the base, a food bowl that slips into the water bowl making the water bowl leak-free, and a lid that seals Yummy Travel Bowls making it spill-proof. The lid becomes an extra bowl when flipped over, thereby allowing for dry food, wet food, and water to be served in separate bowls. When the Yummy Travel Bowls lid is used as a food bowl, the saucer portion can be filled with water to keep ants out of food.

Yummy Travel Bowls is made from baby safe, FDA food grade, BPA-free silicone that is freezer, dishwasher, and microwave safe.
