Yummy Travel Bowls

Category: pet bowls and feeders

For Here or to Go? Yummy Travel Bowls is a convenient three-in-one product that allows a pet owner to store, transport, and serve pet food and water simultaneously without mixing or spilling the contents. Three bowls come together in one compact package. A water bowl serves as the base, a food bowl slips into the water bowl, and a lid bowl seals Yummy Travel Bowls, making the tidy package spill-proof.

Yummy Travel Bowls is made from baby-safe, FDA food-grade, BPA-free silicone that is freezer, dishwasher, and microwave safe.

When camping or hiking, fill the rim of the lid bowl to keep ants out of the food. Freeze water in the base to keep a pet's water cool while keeping fresh or wet food chilled while traveling. Toss a few sliced berries in the water bowl before freezing to give your pup a frosty treat that will keep him occupied and enriched.
